Location: Hersden, Canterbury

Job Type: Full-time, Permanent

Hours of Work: 40 hours per week. Monday-Friday: 7.30am-4.30pm

Salary: Competitive Salary

Job Description

Harmony Timber Group UK is a well-established Timber Engineering company based in Hersden, Canterbury. With an ever increasing, busy order book, we now need additional production operatives to join us.

The Role

- Working in a team to complete the construction of timber frame wall panels, roof trusses and floor joists.
- Handling timber for manufacturing using woodworking machinery.
- Working on multiple jobs to achieve and exceed quality and delivery requirements.
- Constantly improving and exceeding quality of delivered units.
- Ensuring tasks carried out in line with the information provided.

What we can offer

- Competitive monthly salary.
- Monthly bonus scheme.
- Full uniform and PPE provided.
- 28 days holiday.

Essential Skills

- Good numerical and communication skills.
- Good attention to detail and a 'get it right first time' attitude.
- Excellent team working skills.
- Good organizational and time management skills.
- Good overall time management skills.
- Able to use initiative and solve problems.

Desirable Skills & Experience

- Previous experience in timber frame, roof truss and floor joist production
- Experience using crosscut and table saws.
- Existing forklift or counter balance certification.
- Experience using hand tools and basic joinery/woodworking or other relevant practical experience.
- Experience of working on general carpentry and/or manufacturing.

Applications
